

**PRESS RELEASE****RECORD FEBRUARY FOR TOSCANA AEROPORTI WITH 543,000 PASSENGERS (+7.3%)*****Over one million passengers already in the first two months of the year***

*Florence, March 6, 2026* – Toscana Aeroporti achieved its **best ever result for the month of February**, with a total of 543,000 passengers passing through Florence and Pisa airports, an increase of +7.3% on 2025. In February, the positive performance of the international traffic segment (+10.5%) more than offset the decline in the domestic segment (-2.4%). As of 28 February 2025, the **Tuscan Airport System had already exceeded the threshold of one million passengers**, with an increase of +5.7% compared to 2025.

**Performance of individual airports:**

**Florence's Amerigo Vespucci airport** recorded a **record February** with 215,000 passengers passing through and growth of +5.4% compared to the same month in 2025. The international traffic segment showed a particularly positive trend (+8.9%), offsetting the 13.8% decline in the domestic segment. In the ranking of the busiest routes, Paris remained in first place, followed by London, Barcelona, Madrid and Amsterdam. The Florence airport reached 429,000 passengers in the first two months of the year, with growth of +6.0% compared to 2025.

**Pisa's Galileo Galilei airport** recorded **its best February ever** with 328,000 passengers and growth of +8.6% compared to 2025. Both market segments recorded positive results: international (+11.9%) and domestic (+1.2%). Tirana leads the ranking of routes with the highest traffic volume, followed by London, Palermo, Catania and Bari. Pisa airport **exceeded the threshold of 600,000 passengers for the first time** in the first two months of the year, with a total of 619,000 passengers passing through and an improvement of +5.5% on the same period in 2025.

...

*Toscana Aeroporti S.p.A. is the management company of the Florence and Pisa airports. Founded on 1 June 2015 through the merger of AdF - Aeroporto di Firenze S.p.A. (managing company of the Florence A. Vespucci airport) and SAT - Società Aeroporto Toscano S.p.A. (managing company of the Pisa G. Galilei Airport), Toscana Aeroporti S.p.A. stands out for the complementary nature of the two airports, each with its own specific features: Florence airport focuses on the development of business and leisure traffic through full-service carriers, linking the major European hubs; whereas Pisa airport focuses mainly on tourism traffic operated by low-cost carriers and on cargo flights, paying particular attention to intercontinental connections. The Tuscan Airport System is one of the most important in Italy and is a driver of local economic development in one of the world's best known and most loved regions.*
